PRESIDENT: Recognizes Senator Richendifer. Passing. Oh, question has been called. The Chair sees five hands. The question is shall the debate now close. All those in favor of closing debate will vote aye all those will vote no opposed. Have you all voted? Clerk will record. I'm sorry Senator Schmit. That's alright, we have enough to close debate anyway.

CLERK: Close debate.

PRESIDENT: Debate will now close. Senator Marvel do you care to

SENATOR MARVEL: I think it's been well discussed and I appreciate the comments that have been made and I ask that the vote now be taken first of all on the adoption of the amendment.

PRESIDENT: Question is shall the Marvel amendment to LB323 be adopted? All those in favor vote aye, all those opposed vote no. We will vote.. Pardon me.. The Marvel amendment to LB323. This is the vote on the Marvel amendment to LB323, the amendment only. Have you all voted? Clerk will record.

CLERK: (36 ayes, 2 nays)

PRESIDENT: Senator Kelly for what purpose do you rise?

SENATOR KELLY: Mr. President I would move that 323CA referred to the Constitutional Committee because it's an entirely new subject and has not been heard.

PRESIDENT: Now, the motion then is to then re-refer LB323, refer back to.. You're saying you want to refer it to a public hearing is that correct?

SENATOR KELLY: Right. Return it to committee.

PRESIDENT: Alright motion is to return LB323 to committee. Senator Proud your light is still on, did you want to be recognized? Thank you. Senator Carpenter for what purpose do you rise.

SENATOR CARPENTER: Well, to oppose the Senator's motion. This is rather a weak excuse. It is of the same general category. It is germane, and this is only delaying action on Senator Kelly's part. I think he is in the field in which he could get on high center.

PRESIDENT: The Chair recognizes Senator Marvel.

SENATOR MARVEL: Well, I simply say that I oppose the motion to re-refer it. I think that we have had a fairly substantial second public hearing on this bill now and I see no purpose of re-referring the bill.

PRESIDENT: Senator Stromer.

SENATOR STROMER: Well, Mr. President I was only going to say the same thing. I don't think, I think the amendment is germane, I think everybody pretty well has their mind made up on this issue, so I don't think we need to delay action. I think we could probably vote.

PRESIDENT: Alright, Senator Kelly do you care to close on your motion? There are no more that have indicated they want to speak. Senator Kelly is closing on his motion to return 323 to committee.
